How I got into 3D

Prof. Graeme Earl's team scanned the BM's Hoa Hakananai'a in 2012. See *Antiquity* 88:340 <http://dx.doi.org/10.1017/S0003598X00101206> and held a seminar.

The opportunity was there for the BM. The mighty Thomas Flynn, then started the official BM journey to production at the same time as MicroPasts.
